OVERSIZE-OVERWEIGHT PERMIT PROCEDURES

A permit is granted with the understanding that the Grantee shall comply with the State of Illinois Oversize and Overweight Permit Movement Policy, Part 554, as adopted by LaSalle County Highway.

A LaSalle County Highway permit is required when a vehicle or load that exceeds legal sizes and weights is to be moved on or across a highway for which LaSalle County Highway is responsible. Illinois Department of Transportation Form BT 753 illustrates legal size and weight limitations.

Maximum Legal Dimensions				
Width	Height	Legal Single Vehicle	Length Tractor Semitrailer	Length Tractor-Semitrailer-Trailer
8'	13' - 6"	42'	55'	60'

Maximum Weights		
Single Axle (LB)	Tandem Axle (LB)	Gross Weight (LB)
20,000	34,000	80,000

Application

Application for an oversize or overweight permit can be made by fax, phone, or in person.

Permit Fees

Permit fees will be based upon the overall dimensions and weights of the vehicle or, combination of vehicles and the distance traveled on County Highways. The amount of the fee is specified in Sections 15-302 through 15-313 of the Illinois Size and Weight Law.

Billing

Billing and payment of fees shall be made every 30 days.
